

# Feel the comfort!

We feature quality heating system boilers and water heating products by Weil McLain.

We are always available to provide a heating comfort evaluation at your home.

## INSPECTION SERVICES

(provided under all agreements)

Under each of these agreements, your heating unit will be thoroughly inspected and serviced, in accordance with specially formulated procedures used by the Company to insure maximum trouble-free heating efficiency. This inspection includes:

- ✓ Adjust Draft Regulator
- ✓ Check & Flush Low Water Cut Off\*
- ✓ Check Ignition System
- ✓ Replace or Clean Air Filters (1 Set)
- ✓ Clean or Replace Burner Nozzle;  
Lubricate Burner Motor
- ✓ Clean & Adjust Electrodes, Fan & Pump
- ✓ Change Oil Filter
- ✓ Adjust & Test All Controls
- ✓ Check Smoke Pipe & Combustion Chamber
- ✓ Test Efficiency

\*PLEASE NOTE: Steam customers should flush low water cutoff weekly during heating season.
